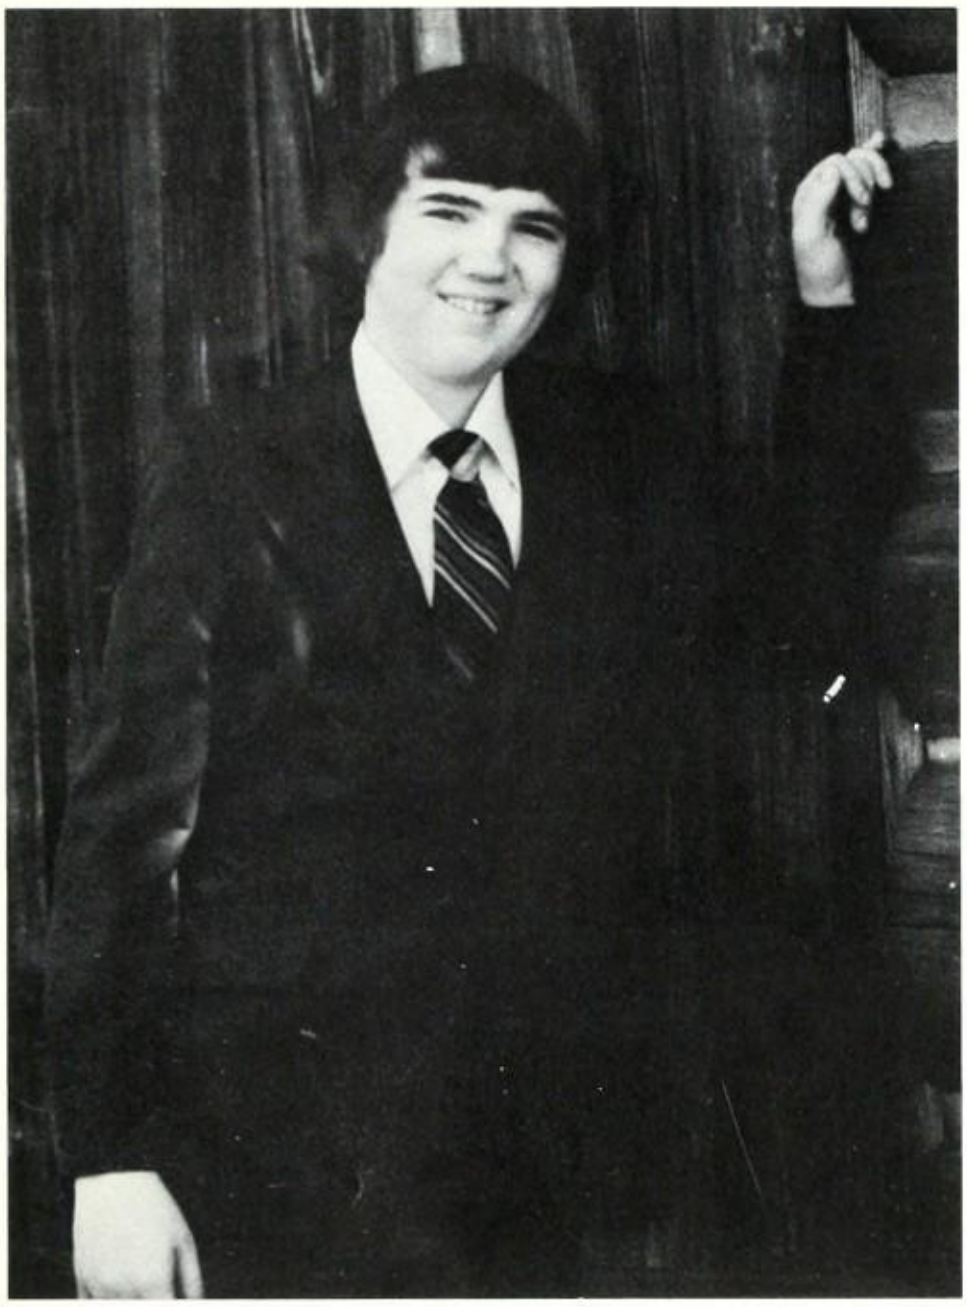
PIRATES 1

1983

1983



The Senior Class of 1983 dedicates this annual to the memory of

Wayne Woolley.

"Away"

I cannot say, and will not say
That he is dead. He is just away!
A great person is what he was!
He joked with every person in
His lifetime, but he never met one
He didn't like!

He was the sunshine of our home.
Think of him as still the same,
I say: He is not dead — he is
just away!

I Love You

"Someone Special"

Donna's

Mike,

Hey Baby. Well would you look here, I am finally a senior and you are out on your own. I am really going to miss you when you go off. You are so very special to me; and I Love You Very, Very much. We have been through so much together, it's just unbelievable! I am really gonna miss you, but it will be good for the both of us, but how am I going to be able to make it without you, and who is going to keep me out of trouble, and who am I going to cry to when I get depressed? I guess I could always write you a letter. I'll probably go broke buying stamps. You better not forget me! Because I'll never forget you. Just Remember I will always love you, and no matter what I'll never, ever, ever forget you.

I Love You More Than Anything In The World.

I Love You Baby,

Donna
